

VOTE YES FOR SCHOOL LEVY IN MAY

Glasgow School District II trustees have determined that a special levy is necessary for school operations.

As a former Supt. of Glasgow Schools for twenty-seven years I've always appreciated the community support for our schools, students and teachers. As parents of two graduates from the Glasgow school system my wife and I are thankful for the education they received in the Glasgow schools. Our son, Robert, returned to the community after college to give back, make his home and raise his family here.

Now twenty-seven years later, as grandparents of two more students in the Glasgow system, we look forward to their opportunity for a quality education.

We have always been proud of our community, our school system and the people who live here.

We strongly support the upcoming school levy and strongly ask you, the people of this community, to Vote YES in the Glasgow school election in May.

Sincerely,
Gary F. Martin
Former Supt. of Glasgow Schools
